

Follow Your True Colors Career Development Certification

Designed by Carolyn Kalil, MA, JCTC

2009 Schedule & Registration

This hands-on, interactive training will train career counselors, employment specialists and other professionals to utilize the True Colors Personality System in the career development process. True Colors is a simple, yet very accurate assessment tool based on the Keirsey temperament theory. Participants will learn to present True Colors application in career planning with groups and individuals in a diverse range of work settings.

Key benefits

- Using True Colors as a self assessment tool
- Group facilitation based on different personality styles
- Applying True Colors in one-on-one career counseling/coaching sessions
- Identifying personality differences in self and others
- Discovering the natural talents of each of the 4 personalities and the important values that motivate them
- Building self esteem
- Exploring career options that match personality strengths
- Correlation of True Colors with Holland Themes, DOT, Keirsey Temperaments and MBTI
- Receive copy of Follow Your True Colors To the Work You Love and other materials.
- Learn how to present a 1 - 3 hour workshop
- Sample Course Syllabus and Outline
- Follow Your True Colors Career Development Certification
