Does Your Career Match Your True Self?

Do you hate your job? But don't know what else you can do? Carolyn Kalil, M.A., takes the mystery and misery out of your search for satisfying work. This book helps you discover your natural strengths and talents. With the help of the True Colors method, you'll learn quickly how to reclaim your true self and find your own path to success. In a few simple steps, the author leads you to the work you love.

Follow Your True Colors to the Work You Love is also Carolyn's personal success story. It is enriched throughout by anecdotes and first hand reports from people whom she has helped in their search for self-expression and fulfilling careers.

- Discover your true talents
- Maximize your unique strengths
- Determine your ideal career
- Experience passion and purpose in the work you do
- Overcome fears that block success
- Create a positive, clear self-image

"This is both a delightful book and a web site. Carolyn gives an intelligent and warm explanation of the idea that all mankind divides into four basic personality types, or temperaments, ... based on the earlier work of Don Lowry, David Keirse, Isabel Myers and Carl Jung. Highly recommended"

DICK BOLLES, author, *What Color Is Your Parachute?* 2010 edition; 10 million copies sold.

"What an exciting book to discover meaningful work that satisfies your soul."

JACK CANFIELD, author
Chicken Soup for the Soul

"Read this book and learn to earn more now by learning your True right Colors."

MARK VICTOR HANSEN, author
Chicken Soup for the Soul

Follow Your True Colors to the Work You Love is so much more than just another career book about how to find a job. The author demonstrates how she dealt with self-esteem issues and reclaimed her own true self, discovering her life's work in the process. From over thirty years of experience as a career counselor, she shares stories of people she has helped to find the work they love.

Carolyn Kalil has been inspiring people for more than 30 years as an educator, counselor, author, speaker and coach. Her popular book and its companion workbook continue to be successful training tools for students and a number of major corporations, including Warner Brothers and Cisco Systems. And her work is receiving high praise from colleges, prisons, workforce centers and other programs that strive to help people improve their lives.
